# OTHER RULES

## SWIMMING

There are not lifeguards in the pool at the resort, or at the beach. Only students who are experienced swimmers should enter the beach water. The band directors and the chaperones will let you know if the beach water is safe to enter. There will not be any entrance into beach water if water conditions/currents are too strong.

## THE BEACH

Students may only use the stretch of beach in front of port royal (3 beach markers in either direction). If a student is wanting to jog/walk further than this, they must have clearance from a chaperone. Students may walk on the beach in groups during the day, but **MUST BE WITH A CHAPERONE** to walk on the beach at night or early in the morning.

## CURFEW

Each evening, all rooms will be checked at curfew. ALL STUDENTS must be present (and visible) in their room during room checks.

## WRISTBANDS

Students will receive a wristband during the meeting at VHS before departure. This wristband must be worn for the entirety of the trip. This will identify you as a Vandegrift band member to our parent chaperones.
